Sahale Summer Camp

June 25-July 1, 2017

Celebrating 12 years of

Fun and friendship!

For ages 9-12

"It takes Friends  
 To make a  
 Friendship"

## A note about Staff

“Building forts and campfires with friends all week long is so much FUN!”  
 “Sahale is the best. I love river play, crafts, archery and the campfire”  
 “I can’t wait to meet up with my friends from camp”  
 “I love learning new things and the food is great!”

Sahale Summer Camp is in its 12<sup>th</sup> year and is so rewarding that many staff return year after year.

Sahale Summer Camp is a weeklong overnight camping experience designed to help your child have fun learning about him/herself as a friend.

Camp is supported by a volunteer staff of 18 trained adults and young people, who each give many hours of creative and dedicated service.

We make learning about relationship fun and natural. Our program builds skills that promote self-esteem, collaboration and social creativity for the future health of your child and society:

- Self responsibility and self care
- Enjoyment of work and play
- Self-reflection, self awareness
- Self expression and active listening
- Empathy and practical care of others
- Respect for elders and peers
- Collaboration and cooperation

Your child will leave with a greater sense of confidence and of belonging to the world.

Our work with youth makes use of Sahale’s remote and beautiful river valley where we breathe fresh air, swim clean waters of a gentle river and explore meadows and forested hills.

Sahale is home to diverse flora and fauna awaiting discovery. Each day our camp life is filled with exploring natural wonders.

We build our tent village circled by trees and near the large fire circle where we gather each evening for stories, singing and skits, stargazing and more. Each day repeats a gentle rhythm and includes comforting routines.

Daytime activities include:

Morning Circle	Meals and Snacks
Archery	Nature activities
Cooking & Gardening	Supervised river play
Quiet time after lunch, Journaling & drawing	Crafts: clay, weaving, rattles, beads and more.
Drama	Music and Story
Free time	Group games

On our last full day, we celebrate with a big feast and a special campfire program as we prepare to join our families the next day.

While we mentor and teach specific skills, we also teach by intentionally living collaboratively and joyfully all week. Colette Hoff, professional family life coach and community developer, trains and offers life lessons through leader development for our staff as well as coordinating our food service.

Our model values having pairs of junior staff who guide each “clan” and who befriend each camper. Counselors take their responsibilities to heart and help campers feel included and cared for. They also support skits, play games and sing camp songs. They are “friendly” role models.

I am so grateful to our volunteers!
